

A.K. Construction

WE BUILD THE FUTURE... ..

PROFILE

- **Govt. Approved Contractor**
- **Project Co ordinator**
- **Turnkey Project Executors**

ABOUT US

We have worked out many Industrial large scale Projects. We have gone through many practical working methods, Project to Project considering the location, available Infrastructure. The Coordination between the consultants' drawings and the execution / interpretation of the same on site is very thin line between the timely completion and prolongation of the Project. We are very much cleared that for any client, time is very important Factor in terms of timely completion of the Project.

A. K. Construction is equipped with qualified engineers who are very sound in technical execution of any project with the help of ample man-power and tools & tackles, we are prepared to deliver the jobs on time, in technical accordance and mainly in the best interest of client's requirements.

OUR IDEOLOGY

A. K. Construction has built the business in the belief that “honesty and hard work breeds success. Never give up, though the goal is too hard to achieve.

Truly, **WE BUILD THE FUTURE...**

RE:- K.K. CONSTRUCTION

This is to certify that the entire work for our factory with Construction, Fabrication, Installation, Testing, P&ID, Welding, Electrical, Plumbing, Gardening and Painting work has been carried out by K.K. Construction and we are very happy with their work on the following aspects:-

- They have a full fledged team of workers at all the various aspects of construction work under their umbrella, Resulting in work being done in specified timeline.
- Their managing team has been only co-operative and – responsive at all stages of construction resulting in a very good personal rapport developing between us.
- The quality of work is very good and no paid work issue have existed after they finished their work.

I recommend them for any new construction being done.
